

# Monthly Content Planner

HERERA  
SMALL BUSINESS TOOLKIT

Fill this in once a month, in one sitting. Batching is what makes showing up consistently survivable.

MONTH

## MAIN BUSINESS GOAL

## POSTING DAYS

## YOUR FOUR PILLARS

Decide these once and reuse them for a year. Every post belongs to one of them — if it fits none, it does not get posted.

## 1 – TEACH (WHAT YOU KNOW)

## 2 – SHOW (WORK AND PROCESS)

### 3 — PROVE (RESULTS, CLIENTS, BEFORE/AFTER)

#### 4 – CONNECT (YOU, OPINIONS, STORY)

## THE MONTH

DATE \_\_\_\_\_

## PILLAR

## IDEA / HOOK

## FORMAT

DONE

| DATE | PILLAR | IDEA / HOOK | FORMAT | DONE |
|------|--------|-------------|--------|------|
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |
|      |        |             |        |      |

## WHAT ACTUALLY WORKED

| TOP PERFORMING POST | REACH | SAVES | ENQUIRIES |
|---------------------|-------|-------|-----------|
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |
|                     |       |       |           |

### Next month, do more of

Judge posts by saves and enquiries, not likes. Likes tell you a post was pleasant. Saves tell you it was useful, and useful is what brings people back to buy.
