

Project Proposal

Prepared for a specific client, on a specific date. Replace every bracket before sending — a proposal that still says [Client Name] loses the job.

PREPARED FOR	PREPARED BY	DATE

1. WHAT YOU TOLD ME

Restate the problem in the client's own words. If they read this paragraph and think *yes, exactly*, the rest of the proposal barely has to work.

THE PROBLEM, IN THEIR WORDS

2. WHAT SUCCESS LOOKS LIKE

Describe the outcome, not the task list. Not "eight social posts" — "a month of content you do not have to think about."

THE OUTCOME

3. SCOPE

The right-hand column is the one that protects you. Be specific about it.

4. INVESTMENT

Three tiers. Most clients choose the middle one — build it to be the option you actually want to sell.

5. TIMELINE

STAGE	WHAT HAPPENS	BY
Kick-off		
First draft		
Your feedback		
Revisions		
Delivery		

Dates assume feedback comes back within the agreed window. Late feedback moves the delivery date by the same number of days.

6. HOW TO SAY YES

- 1 Reply with the tier you want**
A single line is enough.
- 2 Sign the contract**
It will be in your inbox the same day.
- 3 Pay the deposit**
Work begins the moment it clears, on the start date above.

This proposal is valid for **14 days** from the date above. After that, pricing and availability may change.
